Carnivorium Community Connections – Day of Giving Returns for 2022 Season

Thanks to the community's outpouring of support for Carnivorium, together we provided over \$14,000 to multiple non-profit organizations in just the first year of operation!

Carnivorium Mobile Drive-Thru Restaurant believes that each of us is duty-bound to provide help and hope to members of the community that we call home. During the first several months of operation in the fall of 2020, Carnivorium donated funds to eight different non-profit organizations by providing 8% (eight-percent) of Carnivorium's daily gross sales to that day's specific charity. Then, beginning in March of 2021, Carnivorium revised their Community Connection program so more non-profit organizations could benefit. This revision, along with the support of thousands of our guests, helped us to increase the amount of the donations and by the end of the 2021 season over \$14,000 in cash, was donated.

The non-profit organizations that have benefited from the Community Connection program include: Great Falls Community Food Bank, Montana Air National Guard Family Support Fund, Great Falls Children's Receiving Home, the Maclean-Cameron Animal Adoption Center, My Neighbor in Need, Benefis Foundation – Women's and Children's Center, Big Brothers-Big Sisters, My Student in Need, Eagle Mount, Pet Paw See, Special Olympics Montana, Great Falls Buddy Walk, Great Falls Grace Veterans Home, FISH Inc., YWCA Mercy Home, Meals on Wheels, Great Falls Clinic Legacy Foundation, and the Danny Berg Memorial Christmas Dinner.

For the 2022 season, we will continue our **"Day of Giving"** by providing 10% of the gross sales from the second Wednesday each month to a different charity. By doing this we will be able to help an additional 10 charities from March through December. The best part is that every selected charity will have a specific Wednesday that is dedicated to their organization. This will allow the charity to increase the amount of the donation that they receive by informing, promoting, and marketing their specific day to their supporters. You are encouraged to support your favorite charities by simply enjoying lunch or dinner at Carnivorium!

See page two for the list of the selected charities for the 2022 Carnivorium season.
